

# CLUB SUPPORT PROGRAM FY24

## How the Club Support Program works

- To be eligible for funding, jumping clubs must be affiliated with Equestrian NSW.
- Clubs must be located in NSW.
- \$25,000 is available for sport improvement and/or safety support to a maximum of \$2,500 per individual club, depending on the number of applications.
- Applications must be submitted by 30 June 2024 and can include projects carried out by clubs in the 2023/2024 financial year or projects to be carried out by 31 August 2024.
- Applications are invited which will target improvement and/or safety support in the sport. This may include ensuring equipment meets Equestrian Australia (EA) standards (cups, breakaways, appropriate tracking, weight of rails etc). Funding may also be available for safety equipment that enhances rider safety, such as a defibrillator or spinal board and education, including clinics or First Aid courses.
- If clubs target horse and rider development and welfare by holding a clinic, the clinician must be an Equestrian Australia accredited coach with up-to-date qualifications and membership.
- Projects where the club will contribute funds or project costs in kind will be favourably considered. This contribution should be clearly shown on the submitted budget.
- Jumping NSW will consider all submissions that meet the guidelines and make a decision on a case-by-case basis.
